Agenda:

1. Approval of Agenda - Doug Moodie 1<sup>st</sup>, Bill Bailey 2<sup>nd</sup>. Approved.
2. Review and Approval of GPCC Minutes (2/19/20)  
Doug Moodie moved to approve minutes; Tridib Bandyopadhyay 2<sup>nd</sup>. Approved.
3. Review of Executive Committee Minutes (2/26/20)
4. Agenda items:

**A. Professional Writing – Program Change**

- **PRWR 7810**

Jeanne Bohannon presented. Koether asked about an undergraduate course. Answer: Yes, but it is more than 10% different. Smith asked about differences. Answer: The level and intensity are both higher in the graduate course.

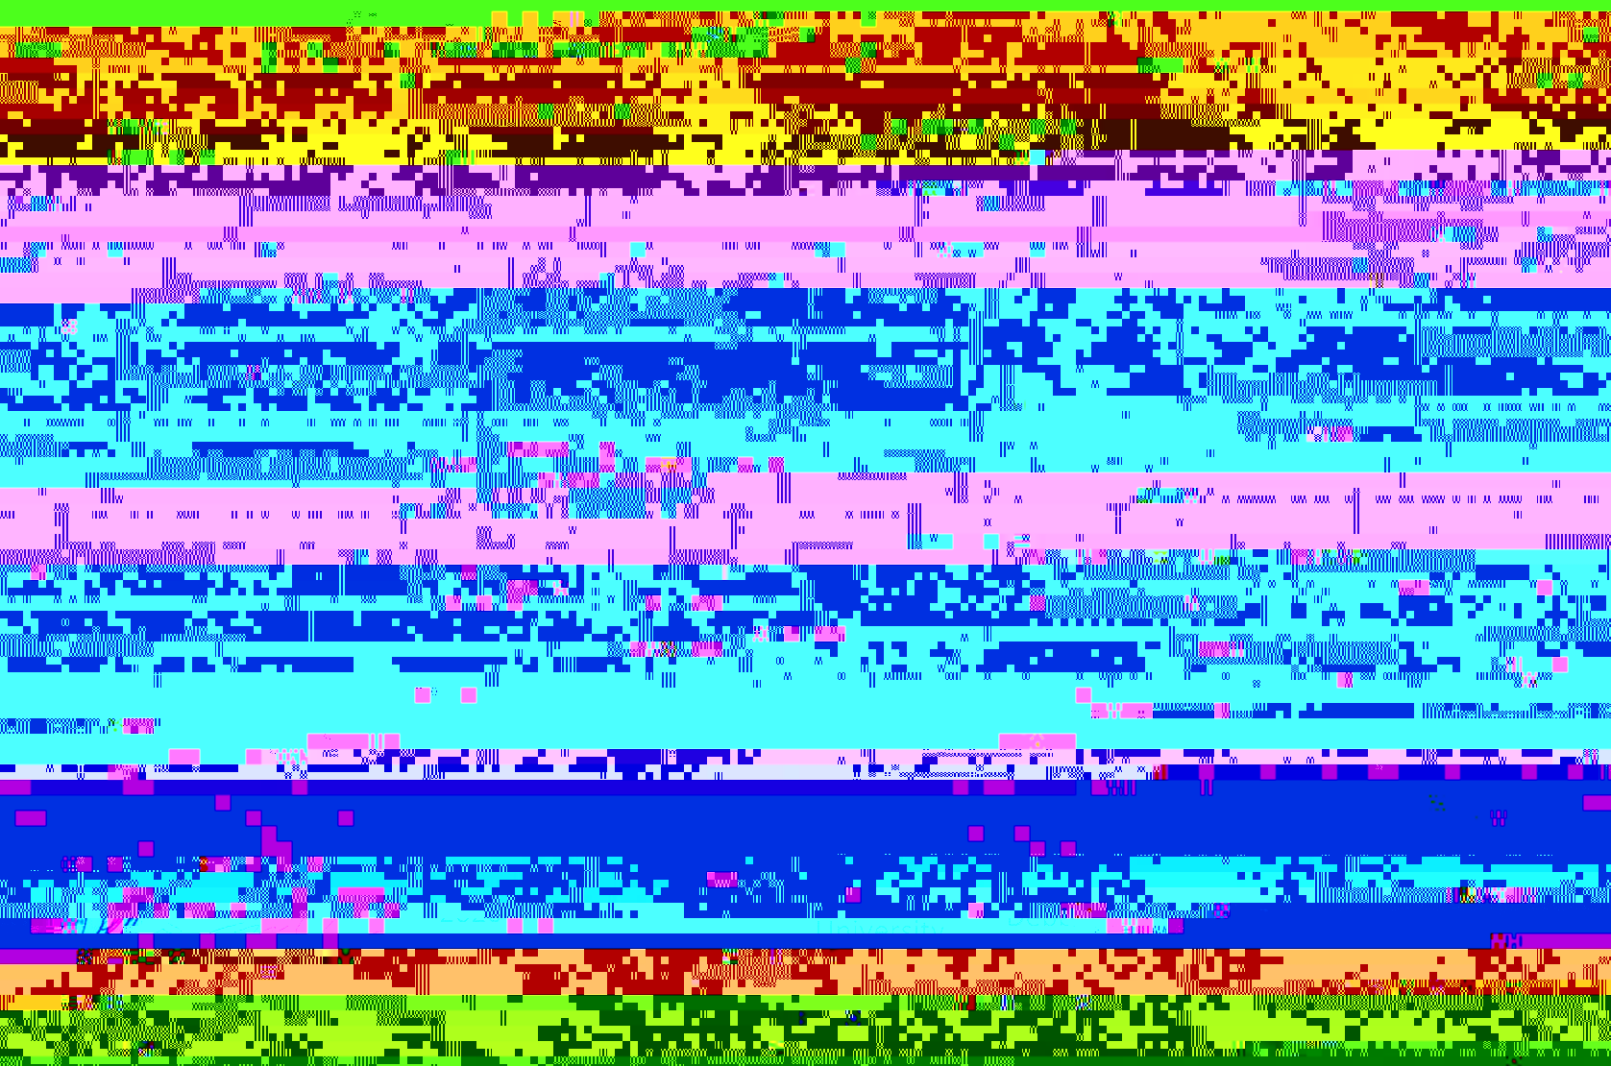

Doug Moodie moved to approve the program change and to waive second reading. Tridib Bandyopadhyay 2<sup>nd</sup>. Approved.

**B. Post-Baccalaureate Certificate in Business Intelligence – New Certificate**

- **ECON 7730, 7750, 7770**

Jomon presented a proposal that has taken place at faculty and dean level. The discussion was robust and resolved. The admission criteria was highlighted and updated. Resource allocation will be internally managed with support from all chairs and deans. There are letters of support from other departments. Koether stated there is no support from CSM and wants it embedded not stand alone. Jomon presented the update for ECON 7750 vs STAT 7020 using software specific to business decisions. Debbie Smith asked for a clarification for new versus existing courses. Bill Bailey asked about course overlap with his department. Jomon answered all queries, there is

no overlap, all specific to business. Susan Smith raised same objection as Statistics. Debbie Smith
